“ Tho i didnt know Bob, i have the pleasure of knowing Monica and watching her every Sunday loving on the people at church. We love the idea of restoring a forest in Bob's name and honor. The other way Bob continues to make an impact on this tired world is thru his wife and the family....So many do not have family that can carry on and pass on the kindness and the strength people yearn to have. Praying for y all and thanking The Father for an honorable man such as Bob. Love, Beth and charley storms
