I new Bob from work and his community for many, many years, in many different capacities. He was consistant, and solid. I am grateful of those times, and those memories. I will miss him. “ *Remember Me*
by Josh Groban

Remember
I will still be here
As long as you hold me
In your memory

Remember
When your dreams have ended
Time can be transcended
Just remember me

I am the one star that keeps burning so brightly
It is the last light to fade into the rising sun
I'm with you whenever you tell my story
For I am all I've done

Remember
I will still be here
As long as you hold me
In your memory,
remember me

I am that warm voice in the cold wind that whispers
And if you listen you'll hear me call across the sky
As long as I still can reach out and touch you
Then I will never die

Remember
I'll never leave you
If you will only
Remember me
(Remember me)

Remember

*I will still be here
As long as you hold me
In your memory*

*Remember
When your dreams have ended
Time can be transcended
I live forever
Remember me...
Remember me...
Remember me...*

*You will be remembered.
My deepest sympathy and prayers to the family.##imported-

“ I wish to extend my deepest sympathy to Mr. Fisher's family. The news of Bob's passing came with deep felt sadness beyond compare.
Mr. Fisher was a gentleman. He was mild mannered, soft spoken and maintained an even keel in midst of life's adversities. A quality few men can ever attain. The VA has lost a dedicated worker. The world has lost a gentleman. He was like a father, a brother, but he was definitely a friend. These are the reasons why I would personally miss Bob.
So my wife and I extend our deepest sympathies and heartfelt gratitude to his surviving family and friends. May God strengthen you in this time of need. We will be praying for you.
