“ So sorry for the loss of my dear friend. I will always remember our days with Roche Biomedical Laboratories especially the first meeting in Southaven when they announced my office to be audited. Bob was so sweet to me and spoke of that often. I will always remember the wonderful times we all spent together. Lots of fond memories. I know Bob will have peace in heaven. Sharon you are in my thoughts and prayers. Love you, Sandy##imported-begin##Sandy Owen##imported-end##

“ So sorry for your loss. Bob will be greatly missed. I will always remember the wonderful man that gave me a chance with no real work history and helped me find the road to where I am now. “ Dear Sharon,
I was so sad to hear about Uncle Bob's passing. I hate I was out of town and unable to attend his funeral. I always admired and loved Uncle Bob. I will always fondly remember all the time we spent as children at the farm. He was definitely one of my favorite uncles. He was always so quite and a classy guy. I hope you and the family know you are in my prayers.
Love,

“ *I will always remember the days in Mayfield with Bob. I have a lot of fond memories. He was a great guy and boss. He loved to talk about his family and he thought his grandchildren were the greatest. He was so proud of all of his children. He cared about our small "family" at the office and had kept in touch after leaving. We hadn't seen him in a few years as his health didn't allow him to travel as much and had missed him. He will be fondly remembered. May he find peace in heaven.*
Always,
