“ *Rosie lived a few blocks from me. Back then we lived in a neighborhood called "Mud Center." She used to have Birthday parties for the kids around the neighborhood, in her garage. Great Person.*

Rosie was a good friend. She used to come home with me on the bus to stay overnight.

“ *Rosie used to come home with me on the school bus and stay over. She loved coming to the country and we loved having her there. Once she hopped on the bus and came home with me without her dad's permission. He was pretty upset and came out to pick her up. My mom worked evening and dad was there when he came. They ended up having a good visit. Rosie had to go back home but didn't get into trouble. While I was working at Deaconess she was there with her dad. He was on the neuro step down unit 3800. I believe it was her son that was there with her. We had a goof visit and were able to catch up on the last 50 years or so. My deepest sympathy to her family. She will be missed.*

“ I am so sorry to hear of this. I met Rosalie at White School in the 6th grade. Never saw her without a smile on her face. She was a very nice young lady and it saddens me deeply to hear of her passing... RIP old friend.....
