“ *Out of a thousand memories of grandma Rosie, just a few would be the best spaghetti I've ever had, playing crazy eights, and getting to play her hand of cards when she took a break. One of the things I'll remember forever, every time I seen grandma, she looked beautiful. She always had her makeup on, her hair done, and dressed nicely, every time! I love you grandma, you will be missed greatly, and be in my heart forever. Love, Donna Rose*
