I have known Ryan from back in Middle school at Harwood and then I moved away and didnt talk to him for a long time, then him and Natalie came to my moms house and we all played cards and had a good time. It really seems weird that he is gone. He always had a way of making people laugh. He will be missed but not forgotten.##imported-begin##Stephanie and Steven Ball##imported-end##*

“ I may not have knew Ryan on a more personal level than most people. But he was one of my brothers daily basis friends, more like part of our family than anything. He always put a smile on everyones face and was the first person to make you laugh. The bond him, Kevin, and Andy had will never be broken. They are the goofy brothers that you drive you crazy but you cant help but love them. Its sad to see hes gone but he will never be forgotten...##imported-begin##Shirley##imported-end##

“ My name is Natalie and Ryan and I were good friends. He was really into his video games. I remember how much fun we would have goofing off listening to Tenacious D. He would sing and run around. He always made me laugh. When I need a friend he was there. I know now he will no longer be there in body, But he will ALWAYS be with me in spirit. Ryan will be missed. We had a lot of good times. Some of them I even got to spend with Laura as well. She is a wonderful woman and wether she knows it or not she has helped me alot. I love then both.

Love Always
