“ *We were so saddened to read of Sam's death and apologize that we could not come to the visitation. We are a part of the "Willow Park" family and always enjoyed seeing Sam while there. Larry's mother, Armitta, is still a resident there and my mother, Betty Gerkin, was also a resident for a number of years. Sam sang in Philharmonic Chorus with me, my late husband Curt Miller and my mother. We always had such a good time going to rehearsals and performances, as well as singing together and I will always treasure those memories. Please accept our sincere sympathies to your entire family.##imported-begin##Carol (Miller) and Larry Hahn##imported-end##*
