My deepest sympathies go out to the family of this beautiful young lady. I did not know her, but I have a feeling that she may be the daughter of one of my best friends in school years, (North class of 1974) whom I worked with, and played ball with. Yet, also left this world too young. She may have had grandparents whom I also dearly loved and gave me an exceptional visit in their home in Simi Valley, CA along with Mike's brother Sammy. I grieve for your loss, and wish all who remain God's richest blessings of comfort.
