“ *Granny (My Angel in the sky),  
For 19 Years I've had the privilege to have you as my grandmother,  
but on April 26th, 2013 God called on you and held out his hand to  
lead you into heaven. Although I know you now at peace with God  
and grandpa, the selfishness in my heart will never let you go. The  
only thing that keeps me sane is knowing that one I'll join you ,our  
family, reunited again. All at peace, and altogether. You were an  
amazing person, mother & grandmother. Even when your final days  
on earth were numbered you still managed to stir up a smile and  
touch my heart like you always seemed to do. You were crazy and  
silly and never seemed to have a care in the world, even when the  
weight of the world was on your shoulders. You loved your kids and  
grandkids unconditionally and it showed. You would do anything in  
this world for anybody without expecting anything back. Everyone  
knew granny loved them and everyone loved you. I'll love you now  
until forever and there will never be a day that goes by that I dont  
look up to the sky and smile, because i know your there, watching  
over all your loved ones. Your no longer in pain, and you no longer  
suffer. Your at peace and thats how you'll be for etenrity. I'll see you  
later, my angel in the sky...##imported-begin##Sonya Persinger &
