“ Dear Don, Patty, Shara and Bud,

I am holding you all close to my heart in prayer. Sharon and I had so many things in common that she felt like a sister.

I will miss our Thursday talks. I will miss her sweet smile, wicked sense of humor, can-do attitude and the way she shot straight from the hip :)

I looked at all the photos from Club and just sat there smiling and thanking God for the treasure He gave to us, and for her family who generously shared this precious soul with all of us.

Your Wife, Mother, Grandmother, Great Grandmother, Aunt and Fur Baby Mom left a piece of her heart with everyone.

May His angels wrap you in their soft and warm wings and uplift and hold you in this time of grief.

Sharon was one of my favorite people to work with at H&R Block. Sneaking out to get lunch was one of our stress releases.
