“ To all of Sharon's family, I am so sorry for your loss. I lived just up the road from her growing up. She babysat my brother and me when we were in school. I remember stretching out on the couch in her living room, reading away summer days. Maybe summer's weren't as hot then, or maybe it was just the trees in the back yard, but I loved playing back there in the cool shade. When I grew older, I babysat for her and John on occasion. Sharon was patient and kind. She and her family were a part of my childhood, and I can't imagine Johnson Lane without her. I'll be praying for all of her family and thinking of you even though I can't be there tomorrow.

“ I've known Sharon ever since my brother Larry lived across the street from her and her husband John. I took care of Sharon a time or two when she was in the hospital. I was so glad that she was able to go to my brother's 50th wedding anniversary. I'm sorry for her passing. May she find peace.

Please know that you are in our thoughts and prayers during this difficult time! I know that Sharon was greeted with the loving arms of our Lord, Jesus and family that went before her. Peace had finally come for her suffering and she is in no more pain. May you all find peace and comfort in the love of Christ.
