“ Laurie, Kristi and Julie: I don't know if you will remember me, but I worked with your mom for many years at Mead Johnson. You even spent a weekend with me in the early 70s. We still live in Chandler! Your mom and I had many fun days working together in the Benefits Department. I had lost contact with her in recent years. So sorry for your loss! She was a special lady!

“ Sharon and I had many classes together at Reitz...she was always just a "little smarter" than I was....we had a commencement dance at the end of the school year and Sharon loaned me her yellow formal to wear to it....she joined our red hat group for a short time....I along with her reitz classmates will miss her...I considered her my friend....you have my deepest sympathy....Jackie deVoy lovelace
