“ *Sorry I can't be there for the funeral, I just had a total knee replacement a few weeks ago. I will always remember Aunt Shirley as smiling, singing, and laughing, she made the world a better place to live. She will be missed. Mom says the older I get, the more I look like Aunt Shirley when she was my age, and I take that as the upmost complement, because she was beautiful not only on the outside, but in every way.
