

Stanley Gene Frankenberger

August 6, 1946 - January 6, 2021

Stanley Gene Frankenberger, 74, of Evansville, passed away on Wednesday, January 6, 2021 at Deaconess Hospital Midtown Campus as a result of complications of Covid-19.

Stan lived his entire life on the west side, which according to Stan was the best side. He was a 1965 graduate of FJ Reitz High School. After graduating he quickly began work at Whirlpool Corporation and stayed there for 24 years until he was blessed to have the opportunity to take a job with the Evansville Vanderburgh School Corporation. He worked at EVSC for 16 years, ending his career as the groundskeeper at Bosse High School, which filled him with pride. All of his co-workers lovingly called him, "Stan the Man". Not one to sit still he also took up a side job at St. James West United Methodist Church for 16 years. Stan was always a jack of all trades and he never hesitated to help someone in need, whether it was an animal or a person.

Stan married his high school sweet heart, Donna Hill. Their love was long and enduring; they met at the young age of 14. Throughout their marriage, they had three children, four grandchildren, and four great grandchildren. He is survived by his wife Donna (Hill) Frankenberger, children, Staci Underhill, Matt Frankenberger and Kara Frankenberger; grandchildren, Ethan Frankenberger, Ava Tipton, Brittany Underhill and Jordan Underhill; great grandchildren, Hunter, Khloe, Jasper and Hayden. He loved his family with all

of his heart and we all loved him just as much if not more. Heaven is gaining a special man.

Due to the pandemic visitation and funeral services will be private. Entombment will take place in St. Joseph Mausoleum. Pierre Funeral Home is handling arrangements.

In lieu of flowers, memorial contributions may be made to the Vanderburgh County Humane Society, 400 Millner Industrial Drive, Evansville, IN 47710.

Condolences may be made online at www.pierrefuneralhome.com.

“ *My memory of Stan goes back throughout Reitz HS years, (even
some elementary school years, but not attending same schools) - -
mainly because he was the boyfriend and later husband of Donna,
my long-life friend. All of us who enjoyed friendship with him knew
him as a pleasant, hard-working, easy-to-get along fellow, who
clearly and dearly loved his wife and family throughout many years
filled with cherished memories. Our love, (including my husband
Tom) and our sorrow and prayers go out for Stan's grieving family,--
remembering him as a special loving and lovable caring man, a
dear friend now greatly missed.*
