“ To the family of Stephanie----

As a former classmate of Stephanie's parents, I am deeply saddened upon the passing of their adult child. My husband and I saw Stephanie at least once a year when many members of her Elbrink side of the family came to our Lake Barkley marina to eat at our restaurant. What a loving family and fun-loving group!! God has a plan for her. She was

A good and faithful servant during her time on this earth. May Stephanie now rest in the Loving arms of our Lord and Savior.

We are unable to attend visitation due to my health travel restriction at this time, but are there in thoughts and prayers.

“ I worked with Stephanie for over 15 years , first as managers and now as her direct supervisor. Stephanie was a friend and someone to share management talks with and luckily I got to be her supervisor during the last year. She was one of the sharpest people in our agency! She was a dedicated employee and a great friend to me over the years.
My heart goes out to all of her family and friends. I will forever miss her.
