

Stephen P Kremer

December 31, 1946 - December 22, 2016

Stephen P. Kremer, 69, of Evansville, took his final journey to meet his Lord with dignity and grace on December 22, 2016.

Steve was born December 31, 1946 in Evansville to the late Francis and Priscilla (Steckler) Kremer. He was a 1964 graduate of Mater Dei High School. Steve was a humble man of many talents and used those talents to construct his own home, become a valuable employee or to help anyone who required his assistance. Steve's deep faith and humor positively impacted all those who knew him. He was happiest when surrounded by his family and friends or with his buddies, fishing pole in hand, going after the "big one" that got away.

In addition to his parents, Steve was preceded in death by many aunts, uncles and cousins.

Surviving Steve are his son, Todd Kremer; granddaughters, Kyla and Madison; longtime, faithful companion, Marsha Luckett; sister, Elizabeth (Paul) Hoffman and brother, Larry (DiAnne) Kremer, all of Evansville.

Steve's family would like to express their deep appreciation to the medical professionals at OHA, VNA and the Deaconess Hospice Center for their kind and caring attention given to Steve and the family during his long period of illness.

Friends may visit with the family from 2:00 until 6:00 P.M. on Tuesday, December 27, 2016 at Pierre Funeral Home, 2601 W. Franklin Street, where there will be a celebration of Steve's life held at 6:00 P.M.

Memorial contributions may be made to Food for the Poor, 6401 Lyons Road Coconut Creek, FL 33073.

Condolences may be made online at www.pierrefuneralhome.com.

“ I have spent this entire day wondering what to write, about this lifelong friend and hero. I could share thousands of stories.... We first met at school at St. Bone-Face. We just kind of clicked, and have spent all the rest of the time just being "Friends". The thing that brought us close, was just helping each other cope with life....After the school years, and then spending a lifetime working.... We have worked together, hired each other, and yes even fired each other.....Just this last July it looked like he had beat this cancer thing, we spent a week on Kentucky Lake fishing, as we have always done for so many years... Back in the "80's" it was always at Lake George or the Okeechobee in Florida, Steve liked big motors on small boats. He liked to go fast enough that it would hurt your eyes...The first part of December I made a trip here to see him. The hardest part was trying to figure out how to say good bye, we talked about it and agreed that it would just be "I will see you later" There is no doubt about where he is at and he said he would save me a spot.....
