“ *I was so very sorry to hear about Steve. Heaven gained another loved one. You all are in my thoughts & prayers. I know he loved his children & grandchildren dearly! He wanted us to stay in contact and meet for lunch some time to talk about his family & Cookie's (Alfred Koch Jr.). I regret that we didn't make it. I guess I'll have to meet them in heaven. Love & prayers from one Koch family to another. Phyliss Koch & children!*

“ Family of Steven: My condolences to you and your family upon the loss of Steven. I wish I could come to the funeral on Wed., but have plans starting at 9:00 that I can't change. I believe Effie worked at Shanes and was the supervisor over my mom, Betty Fischer, Eleonore Koch (Kochie), and Neacie Singleton. The three were called the three musketeers as they were always together, and loved Effie. If they could, they would be together to visit and give hugs and love to you all. Prayers for Steven as he now journeys to his forever home in heaven, and for you all as you mourn his loss here on earth.- Susan Helmer.

Lois Koch. Steve was my ex. I loved Effie as if she was my mother. Such a special lady!
