“ *I remember Steve as a childhood friend when I lived in Evansville until 1957. I ran across his obituary by accident when doing a name search today. Steve was taken far too early and I am sure he is missed by his family. I have nothing but good memories of Steve when we were childhood friends.*

I am so terribly sorry to hear of Steve's passing. Please, please call me if there is anything I can do for you (401-8944). Whenever you spoke of Steve, it was with such love in your voice...I wish I had known him better than just to say "hello" in passing. You are in my prayers, dear friend.
