“ Nick, Jacob, and Noah,
Susie was my oldest friend. She was my very first friend when we started 1st grade at Helfrich Park Elementary at the age of 6. We spent so many years growing up spending the night at each others houses, playing the game of Life and cards. Some of my fondest memories as a child include Susie. I loved her like a sister and will miss her and her sweet voice forever. She was such a gentle and kind soul. The world has lost a special person. Love you Susie.
With deepest sympathy,
