“ Tammy, I will never forget the day you came up to me and hugged me and told me that you were so happy and willing to share your beautiful children with me. I will be forever grateful because they have brought such joy and happiness to my life and to Megan's. We love them so much just as I know you always have. Ron and I will help guide them through their lives just as I know you will be watching and loving them from Heaven. Being with you and your family this last week has shown me how much you loved life and how many lives you have touched throughout yours. You are so loved and will be missed everyday. Thank you so much for sharing your loving family with me. We love you so very much. Rest in peace Tammy.##imported-begin##Carolyn Schenk##imported-end##

“ I was fortunate enough to have worked with Tammy for a number of years at McCurdy health care. Tammy was a dedicated nurse with compassion and caring ways towards all of her residents. She was professional in behavior while being a remarkable individual. We have lost a talented person with her passing and she will be missed. My sympathy goes out to her family and friends at this time. May God grant you peace and may you remember Tammy for the loving, kind and compassionate person she was.###imported-begin##LaDonna Edrington###imported-end##

“ May you find comfort in the words at Rev.21:3,4 which promises that in the future God will wipe out every tear, every pain and even death. And for our loved one who have died, the promise of the resurrection is sure.

“ I will always remember Tammy with a huge smile on her face. She was such a fun person to be around when we were growing up. All these years later, if I saw her out and about she would pick up just like we had never been apart!

I'm sure there is a big party in heaven and right now Tammy is the center of attention :)

“ *My Friend!*

*Your generous heart ruled every move you made and every person you touched. You gave to anyone who needed help and never asked for anything yourself. You were the Ying to my Yang. I'll miss you Tammy but will cherish all those memories. Love you friend.
