“ I love you Tara Lynn. I can't believe you're gone and I won't see you anymore until I gain my wings. Well unless I grow horns instead. I will always carry you with me in my heart and remember the good times we had. I will miss you.

“ I'm still in shock and disbelief... Not only have I lost a dear cousin, turns out I've lost my best friend, too. Thanks for being there over the years, especially the last 5. Thanks for all the phone calls, visits, hang-outs, swims, bike rides, and for your loving comfort and support after my son was murdered. You'll be missed more than words can describe. I love you, Tara
