“ I was Terrys fiancé Lisa. We shared a love and life like no other. After initially meeting at 16 years of age we shared a summer love. After that we'd see each other a few time over the years but that was it. In spring of 2018 we found each other on Facebook and it was a romance from then on. Crazy at times but a LOVE none the less. He was the same old Terry I knew when we were 16. Life of the party and always ready to dance. At this he was good at. So many memories watching him dance at the Victory theater teenage dance club. I'd watch you break dance. We locked eyes and from then it was OVER. we'd me forever locked from then on. Life took us different places but we ended up together. I'll always love you. From our first dance to our last dance The Lord had us together. Mom and I watching out for you through all your surgeries. I'd do it all again to have you back. I miss you and love you so much. If it wasn't for my daughter I'd be with you right now. Please if you can please ease my pain. Even after almost 3.5 months without you my heart and body still hurt. You weren't always perfect but I'd love you always. You loved me like no others and I will miss you forever. Until we Meet again my LOVE.....I'm always yours❤️

“ R.I.P. Terry. Prayers for your family and friends. I will always remember the "softball era" and playing against you. You made it a lot of fun even though you were just being you. 🙏

“ *Carol and family,
I am very saddened to learn of Terry's passing. It is very difficult when you lose a sibling. However, they are never truly gone so long as we hold them in our hearts.
My prayers are with you during this difficult time. God Bless.*

“ Me And Terry go way back as kids we hung out and lived in the same neighborhood we played football Basketball Baseball together. I was always jealous of his knack for magically hitting a homerun ball every time he was at bat and we all laughed because he couldn't shoot a free throw without his tongue sticking out it was a great time to be a kid growing up in Howell those days there were some great memories with friends like Terry. Our intramural basketball team at Reitz was The Howell hoods Terry was a huge part of us winning so many games. Rest in peace and god speed Terry.
