“ *Tom and I were neighbors for about 18 years. The world has lost a real character with his passing. I loved all the stories he would tell as we would sit under his carport or in his swing drinking an Icehouse together. He knew the river like no other person did. He was tough, independent and sometimes ornery! He and the neighbor Jack Jackson pulled me out of the river one time when I fell in pushing drift. He was a good neighbor and always looked out when there was a strange car or person hanging about. He shared his garden plot with me and tomato plants he raised from seed which was so generous of him. I'm sure St. Peter knows by now Tom is a force to be reckoned with! After he sold his house to us and moved, I told him that I missed him...I hope he knew that I meant it and that I loved him as much as he would allow. I will always remember him and I will always miss him. Linda Dyer*

Wonderful words, Linda. Tom was a good guy, and I am happy to have known him for the short time here on this challenging river. Toni Trent
