“ I was shocked to read of Tom's early death. We had business dealings but became pretty close over the years. We shared a common interest in Yamaha motorcycles. He was a stand-up guy and a very fine gentleman. I never heard him say a harsh word against anyone.. My deepest condolences to his family. RIP

“ Dear Penny and Family,

I knew Tom for at least 34 years while I worked in R&D at Uniseal. Tom was always a great friend and support. He enjoyed helping me with many projects and testing challenges in the lab. I will miss our conversations about our families. Uniseal would not have been the same without him.
