“ My brother was a hard headed person I loved him very much. I am so glad he is no longer in pain and he is in the house of the Lord. No longer will he have to worries about the troubles of the liveing. His house in heaven is already payed for. I know he is with grandma and I bet she is so happy to welcome him into his ever after. Although it is sad for us here to not be able to see or talk to him we all know he is always with us. Tim had his own way of thinking and doing things. I am great full that he got to come back home to be with us in the end he has many friends all over the states. I will always remember the fun free spirit of my brother. To all those who knew him definitely have stories and I hope u all will share in the remembering of Tim ballow. And to my brother I know u will watch over me and I'll see u when I get there I know u will have the party started. R.i.p. my brother Tim ballow

“ Timothy was his grandmother's pride and joy and was spoiled beyond belief by her, everyone who knew Timothy knew this. When she passed, Timothy was lost, and lonely without her. Today, he is with her, his papaw, uncle Joe aunt Linda, uncle Jimmy, ect. We will miss him dearly. I am very happy that Tim reunited with his family the last few months. I am happy for the time Lucas and I shared with him. Rest in peace now Tim. Aunt Beverly and Lucas loves you.
