“ TWard,
Words can't describe how broken my heart is.
We have had so many good times and they will
forever be in my heart. I've known you since I
was 14 and not once have you ever turned your
back on me, you always took care of me.
You always knew when I was upset and never failed to check on
me. I'm gonna do my best to keep my head up just like you always
told me to. We had such a great talk when you were on your way
back from Florida. As always you made me feel better. I love you so
much buddy. I know you are in a better place, say hi to my sister.
Gone but will NEVER be forgotten.

“ *I remember so many good times hanging out with toby back in the day. I used to give him rides to school. I'm so regretful that we didn't stay in touch. His mom Martha and uncle Jim they all were a part of my life growing up and it was the best. We laughed, partied, caused trouble and even fought but all and all we shared some great times so long ago. It breaks my heart that you are gone and I admit I have shed some tears over these several days. Another westside icon real stand up guy taken from us way to soon. You will be missed greatly. Thanks for the smiles and the people you touch whether you knew your impact or not. RIP my friend.....*
