“ I just found out that Tennessee Todd passed. I'm a bit shocked. He and I had a BLAST in Bloomington. I still quote his funny sayings. "Hell Schroeder, I made chili so hot you gotta wipe your () with a snow cone". If someone didn't drive fast enough at a red light he would yet out the window, " Hell Man, you waiting for a particular shade of green??" I can't quote the one about the walkie talkie but if you know, You Know. God Bless Tennessee Todd. Louis, He was so proud of you. He would brag on you for most of our conversations.

“ I remember at his wedding all his friends would call him “Tennessee Todd”. Todd as full of life. One of his friends recalled sitting at a traffic light and Todd called out to the car in front of them...”are you waiting for a particular shade of green?” That man was a pistol
