“ So very sorry for your loss. I never met Troy in person but worked with him often while supporting him on the LogRhythm software. Our entire support team is saddened at this loss as Troy was such a nice person to work with; always patient and understanding. My heart goes out to all whose lives he touched.##imported-begin##Crystal Wiecken##imported-end##

“ Please accept my sincere sympathy in the loss of your loved one. I worked with Troy at Old National Bank years ago. He was a great guy, very friendly and so helpful to non-techs like me. He was liked by everyone who worked with him- I especially liked his ability to work hard and still have fun and keep his sense of humor. I am so sorry for the way-too-early passing of this special guy. My thoughts and prayers are with your family.##imported-begin##Barbara James##imported-end##

“ Troy was a very special person. He was always very smart and tech savvy. I remember him opening his own bulletin board when personal computers were in their infancy. His computer cost more than his car. It is no surprise to me that he went on to a successful career in technology. He was also a funny and kind person who was good with kids. I am glad he went on to marry and have a family. I am only sorry that his life was cut short and his wife and children will have to live without him. I know he loved them very much! My sympathies to the entire Braker family.##imported-begin##Rhonda Nosko##imported-end##

“ My sincere condolences to the family of Troy. I worked with him at ONSD from 1998 until July 2004. We often discussed many subjects outside of Old National in which he was interested. I remember him always having a smile on his face, a wonderful sense of humor, and his willingness to help me (and others) with situations which arose at work. He was a very fine young man.##imported-begin##Dennis Sivert##imported-end##
