“ *George and family, so very sorry to hear of Verna's passing. As you probably know, Verna and I worked together in Distribution Services at Mead Johnson. I don't have to tell you what a wonderful lady she was. She was a lady in every sense of the word. Always seemed like she had a smile on her face and devoted to God, her work and, of course, her family. May your memories sustain you and bring much comfort until you meet her again.*

“ *George and family, so sorry for the loss of Verna. I enjoyed working with her many years ago at Meads, always a joy to talk to her when I would see her out. Thoughts and prayers are with all of you at this difficult time.*
