“ *My wife has known Vern since she worked with her mom and dad in their greenhouse on Westmore Drive in the '50's and '60's. I met Vern at Bucyrus-Erie in the 70's. We valued his friendship for these many years. We will surely miss him, and his sense of humor. We pray for his family, and friends that God will give them comfort at this time.*

“ *I love you Grandpa. You were loved by all and will be so greatly missed. You're in a better place now and no longer hurting. So happy you will be reunited with Grandma, may you two finally rest in peace together. My memories of the two of you will forever keep you alive in my heart. So, this is not a goodbye, I will see you again one day. I love you.*
