“ *The loss of Mimi is hard on everyone, She was my Great Grandmother & I adored her. I would like everyone to know though if you knew Mimi the way I did then you know she's in Heaven. She is watching over us all pain free & happy. I get sad alot when I think about her, but then I just remember the funny stuff she did like getting her dog Missy cheeseburgers from McDonalds. I'll try to make this short & sweet.*

*Mimi has always been an angel only difference is now she's with God. We shouldn't be sad for her because I know she's in a better place. I sleep with her rosary tucked under my pillow every night & I hold it, that gives me strength to carry on. I love you Mimi Fly high angel. . . .we all miss you but it's not goodbye it's see you later.##imported-begin##Shanley Kirk##imported-end##*

“ I will always remember my adventures with Aunt Ginny. I was really impressed that she brought toilet paper in the car for the dogs during road trips. She introduced me to the love of yard sales. She explained the birds & the bees to my sister Cathy, while I listened from behind. She also had a great sense of humor. One day we purchased mood rings, Aunt Ginny seemed a little adgitated towards the end of the day (entertaining kids)- when I asked her if the color black meant that you're angry, she laughed so hard that it startled me. I aspire to be as giving, thoughtful, and fun loving as Aunt Ginny. I love and miss you. XOXO###imported-begin###Christina Carlisle###imported-end###
