“ I am very sorry for your lost of such a wonderful woman. Words could never express what she meant to me. She was a very important person in my life and I only hope she felt the same about me. I would like to share a memory but I have so many all stand out in my mind. No one will ever be able to replace her for me. So I can only say thank you Virginia for all the trips, laughs, and fun stuff we did together. In the bad times hope I helped you as much as you did for me. I will miss her and her snoring that we laughed about so often on our journey together. So to the family be proud of all the good and happiness she gave to so many of us. I am proud to say I am one very grateful to the Lord I had her in my life. God bless you all.
