“ *Jim,*

I was very sorry to hear about your mother's passing. No matter how it happens, we miss our loved ones. My grandfather passed on July 4 several years ago after a long & difficult illness, and in a way I always felt that that day was also his independence from the restrictions of a failing physical body so his spirit could be in a better place.

All my best to you and your family. You are missed.

“ *What a beautiful lady your mother was. My mother, Judy Pugh, did her hair for years. She was a kind and gentle soul and surely will be missed by many. My heart goes out to you as I keep you all in my thoughts and prayers.*
