“ The staff here at Cardiac Rehab would like to extend our deepest condolences upon hearing of the passing of Wally. While it has been some time since he was in rehab, he is the type of patient that we do not forget. Wally's sense of humor and his ability to make everyone feel welcome was always something that the staff and patients appreciated. There was never a dull moment when Wally was exercising. :) On behalf of our staff and the patients in our 3:30 exercise class we send you our love, thoughts, and prayers during this difficult time.##imported-begin##Deaconess Cardiac Rehab##imported-end##

“ Our association with the Bishop family has always been special. Ronnie was a fellow officer with Wally and Tim, and he was a member of WSSC. I had Christi and Cody in class at Reitz. It saddened both of us to hear of his passing. Wally loved life and people, and he will be greatly missed. Our thoughts and prayers are with you at this difficult time. May God comfort and strengthen all of you.

“ We are so sorry for your loss.
Wally was a wonderful person in our eyes. Not every one can come up to a person and make them your friend at first meeting, but Wally had that ability. We will miss him.

Our love and prayers go out to all of you.

“ Dear Sue & Family,
Our hearts go out to you during this time of loss. Life as we all know it will never be the same without our Regulator. The kind words of encouragement that he gave to Mom (Contrary Mary) when she started shooting in her 70's. He always told Dad (Woodswalker) that when he could no longer get around to the stages that he would carry him if he had to.
His great smile, the pleasure that he took in cooking for a rowdy group of cowboy and cowgirls will never be forgotten. Our hearts are heavy as we think about all the things that again will never be. Sue, Mom and Dad want you to know that their thoughts will be with you during the viewing on Wednesday. They have a hard time going to funeral homes so they have ask me to send this with all their love and prayers. If you need anything from any of us don't hesitate to ask.
God bless and keep you in his loving care.

“ Susie, Christi and Cody, Abi and Averi, Tim and Judy and Woody and all of the family... You are in our thoughts and prayers at this very difficult time. What extreme loss you must be feeling. Wally was so full of life and he loved you all so much! He was such an easy fellow to love and because we all loved him so much and so deeply, it is especially hard to see him go. He has left us all with such fond memories and he would want us to remember his zest for life and his unique sense of humor as we attempt to carry on without him. Take the very best of care and know that you have wonderful support of friends and family.

Sending our very deepest condolences and LOVE!
