“ *Dad, our relationship was a struggle for many reasons but we always told each other I love you when we talked. You will be missed and I look forward to the day we meet again in Heaven. I pray that the arrangements Nick and I made leave you with the dignity and peace you deserve. I love you. RIP*

Sad to hear of the loss of an old friend and a great guy. They say you'll be remembered as long as someone says your name... you'll always be remembered by me. They forgot to mention what a great pool player you were. A great friend and one heck of a guy. Rest in peace my friend
