“ *Walter,*

Unfortunately I did not have the privilege of knowing you during the healthier times of your life. However, it's evident how much of an impact you have had on many people's lives. I have heard nothing but praise from the people who know you best – people who I am acquainted with who have obviously inherited many of the admirable traits in which they use to describe you. For that, I thank you. Your family & friends remain in my thoughts and prayers during this time of loss.

R.I.P

My deepest sympathy,
