“ Dear Mrs. Kissel,

*You and Warren will always hold a special place in my heart. I remember fondly hunting mushrooms and arrowheads with Warren as a kid, feeding the catfish and butchering a cow! I must have only been 5 or 6 years old. My parents (Bill and Glenda) went to Europe for what seemed like weeks as you watched us. You and Warren kept me and Brittney occupied and in line! I remember losing my first tooth at your dinner table, fishing in the pond, being saved from a snake in the woods by Warren and above all just having a wonderful childhood at your place. I also remember taking naps and finding out later that once I was asleep Brittney was allowed to get up! I am so grateful for those memories.*

*Now that I have grown up and have kids of my own I expect Warren is at least partly responsible for my love of the outdoors, hunting, fishing, hiking etc. I love taking my girls to the woods at our farm to share with them the things I learned from Warren, and often think of him as he was a great teacher and mentor for me. Brittney and I were truly blessed to have you in our lives. So sorry for your loss.*

*Eternally grateful,  
Braden (Brad) Willman*
