“ *Warren truly loved young people. He faithfully attended North Posey ball games just to watch our kids play. He always asked me on a Sunday how David or Katye did at a game or band competition that he wasn't able to attend. I know that Warren is with Jesus now and is whole again. I can envision my David, who would be turning 21 next week, running up to Warren when he got to heaven and giving him one of his bear hugs. I think they may even be playing a game of basketball right now. What a game that would be to watch!###imported-begin##Debbie Snyder###imported-end##*
