“ To Bill's Wife and Mother,

I was deeply sadden to hear of Bill's passing. I saw Bill at the Class Reunion last year. Bill was a good friend from the day I met him. We had many good times in the old neighborhood, Henry Reis and North.

Because I live in Texas I will not be able to attend the services personally, but please know that my thoughts and prayers are with you and your family today.

“ I didn't know Mr. Barning directly.. but my mom worked with his wife previously at Welborn Clinic for many years. I had the pleasure of meeting Jackie and always saw her working at the mall too. Sweet lady. I was crushed to learn about this tragedy. Please know that your family is in our prayers and thoughts at this time.

“ Sandy, I don't know if you remember me; we worked at Welborn together in the 80's. I was greived to learn of the passing of your husband. I tried to call you several times in the last day or so and could not get through. Please know that you and Bill's family are in our prayers. My husband and I had a time of prayer just for you and I continue to pray for the comfort and peace that only the Lord can give at a time like this. Let me know if there is anything I can do for you. God bless you in your time of indescribable sorrow. In Christ's Love, Vicki Newman###imported-begin##Vicki Newman###imported-end##
