“ *My sympathies go out to the family of Bill (especially Kathy). I didn't  
know him well, but went to school with David and have known the  
family for over 50 years. Kathy babysat for my children when she  
was a teenager. May God's peace be with you. Susan Baehl  
Doninger.*

“ Bill was a great friend. To those who knew him well knew someone who had a zest for life. The last few years were not "Billesque"; separated by the miles I suppose was for the better. I missed him then and will not have another opportunity to spend quality time with a very good friend. We shared near birthdays and while in college we enjoyed some tandem birthday parties. He was a very unique man, like by many. "O" I will miss you man. You are now at rest. Via con Dios my friend. -Gary B.
