“ *Scott and I send our deepest sympathies and prayers as you celebrate Bill's life today. Bill was such a nice man. He used to have a lot of fun with his water class friends down at the YMCA. I met him during one of those classes. He and I were both sharing the news of a new baby in our families when we realized we were talking about the same baby! (Isaac!) Thinking of all of you.*

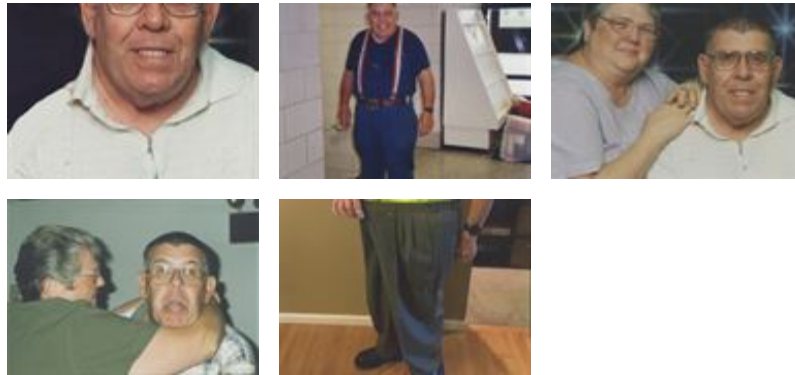

Not sure of the date of the pictures below (2010-ish?). Taken at the former Downtown YMCA for World Arthritis Day.

“ Gathered a lifetime of memories with you dad. Mostly good, but
always fun. No matter where we went, near or far, you never met a
stranger. Many times I was asked about you, me being Jr, by many
people. Someone in the crowd always knew you and would
comment on you always having a joke to share. Most recently
where the young man from Pierre looked at you and said the same.
Always had a joke to share. You have touched many in your life with
your great positive nature.
Chuckling and tears. Love ya dad!
