“ Dear, Dear Miller Family,

Just today I learned of Tony's passing as I scrolled through the emails which had accumulated in our weeks away from home this summer/fall. Warren and I are usually isolated (quarantined) at home, but our daughters had brilliant plans for us to take a breather from one another and the confines of our house. Warren went to Stacey and Scott's house (with step-granddaughter Jennifer also in residence) near Birmingham, AL and I flew to Colorado Springs for a few days with Julia and family. We had a 3 1/2 in. snow in CO the day after my arrival, so it was indeed a change of scenery.

Our grandchildren are in their first jobs out of college, except for Mary Grace, who is a freshman. We have been retired for-ev-er and until Covid19 struck were very happy with staying here in a university community with many friends, our church, and a nearby airport. Stacey and Scott are only a couple of hours away.

Carolyn is gravely ill in a nursing home in the Evansville area. Nancy Butler, Blaine and Gina Newman and Gene Thompson (Carolyn's former husband) have all been very attentive and seem to be taking care of Carolyn and one another. Gina has a long term male friend who lives with her and Blaine, of course, has Sara, his wife.

*I am primarily writing to say that we share your sorrow in losing a sibling. It is a shroud which falls on all of us who survive long enough, and we can just pray that our loved ones will once again be in our spiritual presence. Thank goodness that with modern technology we can keep in touch. Of course, if any of our family wants to venture away from the harsh winters on the Midwest, we would WELCOME you to the warmer South! We're only an email or a phone call away. . . . and about 9 hrs. by car. (662) 323-8492 (land line) (662) 312-5548 (Judi's cell phone). Our airport is Golden Triangle Regional Airport, served by Delta Airlines via Atlanta.

“ *It saddens me deeply to hear of Tony’s passing. I’ve held the utmost respect for him over the years working with him @ White County Coal. It was truly a pleasure to know him and I appreciate everything he did for me over the years. I considered him a friend, rather than just a coworker. I wish to send my sincere condolences and prayers for peace to his entire family during this difficult time.*

“ *I had the great pleasure of working closely with Tony at the plant. I have many cherished memories of him. He was a great person and just fun to be around. The last time I saw him was at the Walmart in Evansville on the West side. It had not been too long after Mary passed. He seemed to be doing well considering. My family is praying for the whole Miller family. I will miss him as I know you do.*

Rest In Peace my friend,
