“ *Jodi, Lisa, Stacy,*

*Many years we lived across the street from you all and your parents. We all grew up together. Your parents were part of our family for many years. We extend our deepest condolences to all of you at this time. Your father was an amzaing man. We will never forget him driving us all to school in the little blue car with no heater.  
Love you all,*

“ *My cousin "Billy" was also my Godfather. I remember many outings as a child with him & Bettye.*

*He was a quick wit, a devoted family man and an all around nice guy. His daughters reflect both of their parents goodness & sense of family. He will be missed terribly, but he has gone home and will be with Bettye again.*

*Our thoughts & prayers go out to the girls at this time.*

*Love, Pam & Bob*
