“ *This message is being written for my parents, Carl & Amelia Horstman. They regret that they are not able to visit the funeral home or attend the funeral as they are both sick. They want to extend their sympathy and prayers to the entire family. The Winiger family has always been very special to my parents throughout the years and your losing another family member touches their lives with sorrow.##imported-begin##Rose Backes##imported-end##*

“ *Dear Janice and family,
I am very sorry for your loss of Bill. I also apologize for not being able to see you in person. I currently have an ankle problem that is keeping me from getting around. I have fond memories of working the 3rd shift with Bill at Economy-IGA at Town Center. Many nights it was just Bill and me or one other person. He was a great guy as all of you know. Of course I met up with both of you later with Posey County Right to Life. Peggy and I have 4 daughters and 9 grandchildren and still attend 1st Baptist Church where Larry Conyers is our Pastor. We have your family on our prayer list and will pray for you in the coming weeks. May God bless you all and give you his peace that passes all understanding.
