“ *Me wilma tiffini and tom and bob were at the bar and wilma asked me to teach her how to play pool. She was so eager to learn. And another mmory when i first met her. Bob took me to this bar but didnt tell me we were meeting rita and wilma. When I walked in and we sat down and was talking to this moment which was Rita one on Waze and the bathroom and I didn't know that and then Bob tells me well I want you to meet my ex-wife oh my God I wanted to run out of that bar I know nothing about this woman for all I know she hated my guts but we sat and talked and had a good time that night and kind of me is never had a bad word to say to me if she did she did it behind my back she will never be forgotten and always has always had a place in my heart I am definitely going to miss her because we talked a lot*
