“ I worked with this fine fellow on the Whirlpool door line around 1984.

He was always in a joking mood, it seemed. Never had a temper and great to work with.

I sincerely miss that ol' boy!##imported-begin##Tom Bubba Wilson##imported-end##

“ Ann, I am so sorry to hear about your father. Please know that you are in my thoughts and prayers. You know that I lost my Dad in Feb 2009, and will always remember what a good friend told me. We refer to "losing" someone when they pass away, but if we know where something is going, then it really isn't lost, and we both know that our fathers are with the Lord now, no pain, no sorrow, and waiting for us to join them one day in a wonderful family reunion.

Take care, and God Bless.##imported-begin##Sharon Dorsey##imported-end##
