“ *To Debi Browser and all of the family. I recently have lost my sister and my mother years ago. Losing those two were the hardest losses I have ever had. Know that we are praying for you all. And please know our compassion. We are truly sorry to hear about the passing of your mother, especially around mother's day. Mother's day is my hardest day of the year. With Love and sympathy. Becky Hofmann and family. May God comfort you all.*
