“ *Family and Friends,*

I am so sorry for your loss and extend my deepest sympathies. I had the pleasure of working with Zack on two separate occasions at VOA and with the USPO. Zack left this earth way too early and will be missed by many.

“ Joey and Amanda, I know your hearts are broken because mine is, too. I know you will hold his wife and children close and tell them his story. Students grow up and are gone. You presume they are fine and when they are not, it is shocking. Zack was nice, an easy student in the classroom and very smart. I am so glad I knew him and so sorry for your loss. Phyllis Brown
