“ *Back in the 1970s my aunt Zandra and uncle Glen Pendley lived beside us on Virginia St. in Madisonville. Now it's MLK Jr Way. She was one of my favorite aunts. She continued to come to Pendley family reunions until the end. I will always love her and miss her at those events.*

“ *Zandra was the most kind and gentle soul. Her stories she would tell would have you die laughing. If you were around her for very long you would tears in your eyes from laughing so hard. Her stories from buying the display cake, made of styrofoam and trying to serve it during Christmas, to knocking over a green candle into her bleached blonde hair, and many many more. The world is definitely a little dimmer now without her. Until we meet again!!*

“ Zandra was my best friend for more than 60 years. She always had a smile and laughter that would brighten any day. We shared so many memories through the years and could finish each others stories most of the time. She loved her family with all her heart. She endured many loss in her life from her Mom at a very early age and a sister and her dad who she thought hung the moon. She never met a stranger and had many close friends that will miss her dearly. Heaven has gained one of the brightest stars and a new angel watches over us until we can be together again. I Love You and miss you my sweet friend.

Zandra was a very close friend. She grew up in Earlington and lived behind us. She loved life and just people in general. She was “one of a kind” She would come over sometimes for my Mom’s cookies and Chocolate pudding. She would laugh about it. We were cheerleaders together and was in class together. She was always smiling and I know now she is smiling even bigger. She will be missed by many. Love you Zandra and we will meet again one day and what a glorious day that will be!!! Love and prayers for Jimmy, Andrea, Brandon, and Family 🙏🙏🙏

“ *Zandra or I had any sense of direction, we could get lost in Madisonville, we always had some laughs talking about our adventures when we would get lost, lol. We were safer when our friend Ann went with us & took the wheel, we are going to miss her in our adventures, she is a wonderful friend* ❤️

Zandra was my good friend at MNHHS. She did always have a smile on her face. I saw her maybe 10 years ago and we got caught up on our lives. I wish I had continued. Zandra was a great friend. I will miss her.

“ Zandra has been like a sister since I was a teenager. She was the maid of honor in my wedding and right there for my first born. We have laughed together and cried together. She was a wonderful friend, mother, and grandmother, she loved every body. She will be truly missed. She is dancing in the sky now. Love you my friend.
